

W. T. RICH COMPANY, INC.

November 11, 2018

Regarding: Cabot Elementary School
Construction Site Access & Logistics

Dear Neighbors,

The purpose of this letter is to inform you that the construction team will begin utilizing the Northern Parkview Ave gate temporarily for larger deliveries due to site constraints associated with the masonry installation on the East side of the Gym addition.

The Cabot Street gate will be utilized as much as possible in an effort to minimize use of the Parkview Ave gate.

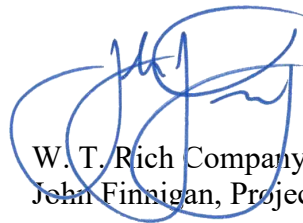

This temporary site access and logistics adjustment will be starting November 13, 2018 and is anticipated to be in place until November 26, 2018.

Please note that this adjustment is subject to change due to weather and/or other variable conditions which may arise. We will make every effort to expedite the duration of this work and will provide an updated notification when all deliveries will be reverted back to the Cabot Street gate.

Construction will continue to be per the City of Newton ordinances.

Thank you for your time and support in this matter. Should you have any questions regarding the proposed work, you may contact Newton Public Buildings, Alex Valcarce at (617) 796-1600 or via email at avalcarce@newtonma.gov.

Very Truly Yours,

W. T. Rich Company, Inc.
John Finnigan, Project Manager
