March 14, 2019

Regarding: Cabot Elementary School  
Temporary Power Interruption

Dear Neighbors,

The purpose of this letter is to inform you that Eversource will be energizing the new electrical lines to provide power service to the school as part of the ongoing upgrades.

Eversource notified us this morning that this work will be taking place today and to expect intermittent electrical service disruption in the neighborhood while the lines are energized.

We apologize for the short notice and will work with Eversource to provide any assistance possible in an effort to expedite the duration of this work and minimize power disruption.

Thank you for your time and support in this matter. Should you have any questions regarding the proposed work, you may contact Newton Public Buildings, Alex Valcarce at (617) 796-1600 or via email at [avalcarce@newtonma.gov](mailto:avalcarce@newtonma.gov).

Very Truly Yours,

W. T. Rich Company, Inc.  
John Finnigan, Project Manager
